Dated: May 06, 2021

## ORDER

Dear Students,

It is in continuation to this Office Order no. GEHU/033/Acad/13/N.O/2021/58, dated: May 04, 2021.

Issue regarding Transportation fee and Sports fee has been reviewed in the light of worsening Corona Scenario.

Keeping in view that it may take time to start offline classes, it has been decided that these charges will not be included in the fees for this Semester.

The decision about charging of these fees on pro rata basis will be taken as and when the classes commence in the offline mode and these facilities are made available to the students.

It is observed that few students have already paid these charges. It is informed that this amount will be adjusted in the fee of forthcoming semester.
